State or Local Procurement Requirements

- Category Two bids to be considered by this applicant, must:
- o All items listed in Category Two, above are included, described and proceed individually, with make, model, SKU and detailed description of configuration.
  - o Bids are presented "by building" and then "by line item" with make, model number, description and pricing for each item within each building, as described above.
  - o Bids for "E-rate eligible items" must be limited to \$153.47 per student for each building
  - o If a bid for requested items exceeds \$153.47 per student per building, vendor must list them in a separate section titled "required equipment to make the system fully functional -over \$153.47 per student per school."
  - o Contracts are valid only if funding is awarded.
